

# DHAS Conference

## Friday, April 4th - Doubletree Regina

### *New Role of the Dental Hygienist* 1 to 2:30 pm

Dental hygienists deserve to be appreciated, utilized to their full scope of practice and supported for doing so.

Stop cleaning teeth and teaching patients to floss! You can and should be doing so much more for your patients, your practice and your soul.

This course will celebrate dental hygienists' ability to finally occupy their well-earned place on the healthcare stage. Learn how to leave behind the 'cleaning lady' image and be recognized as an essential member of the healthcare team.

### *Oral Health Company Product Update* 2:45 to 4:00 pm

Are you ready to discover the latest innovations in dental technology? Don't miss our Product Spotlight Session, where top dental supply companies will showcase cutting-edge products designed to enhance your practice.

### *How You Can Advocate for Change* 4 to 5 pm

What if you could advocate for yourself, co-workers, patients, and/or your community to improve conditions and create lasting policy change?

This presentation will include an overview of the importance of advocacy in driving positive change, and discuss the different levels of advocacy: national, provincial, local, interprofessional, and self-advocacy.
